

FLYING TIGERS
1945 - 1989

1989 Was the End of an Era, But the Memories Still Live On

This hardcover book was put together in 1989 by a group of Tiger employees as a memento history book for all the Flying Tigers at the time of the merger with FedEx. The book is dedicated to Robert Prescott and has many historical pictures of our beginnings as well and many employee pictures from 1989. Many of our members retired or left FTL before 1989 and likely don't have one of these books. We recently came across several boxes of these books and would love to share them with whomever wants one!! The books themselves are free, but shipping will cost \$5 for each book.
